Beyoncé: nighttime pretty at a Metropolitan Museum of Art gala

Do super-flawless skin Apply foundation with a brush, like Roncal does with Jennifer Lopez. "It'll melt into your skin," she says. Just buff it on in circular motions—like you're waxing a car. "Think *Karate Kid!*"

Add killer cheekbones Apply cream blush on the apples of your cheeks, then sweep powder blush over it and up toward your ears, says Collier Strong. He uses L'Oréal Blush Délice Sheer Powder Blush (\$9, at drugstores), above, on clients like Jessica Simpson.
