**Full Impact** Celebrity makeup artist Mally Roncal is ready to divulge her perfect plumping trick, tested on Ashlee Simpson and Beyoncé. Grab one of the three Mally Beauty Lip Illusion (\$25, [qvc.com](http://qvc.com)) duos. Apply the darker color to the top lip, leaving a small section in the middle without color. Rub lips together. Now apply the lighter color on the center of the bottom lip. Rub lips together again and use your finger to blend. Watch out, Angelina!
