

Beauty Products for MOMS on-the-go

Look your best without the fuss!

Cosmedicine™ Products

Honest Face™ Skin Tint & Treatment SPF 20

A skin perfecting, tinted moisturizer, hydrator and firmer with antioxidants and UVA/UVB sun protection. Creates a natural finish and reduces fine lines and wrinkles.

Medi-Matte™ Oil Control Spray

Easy-to-use, portable mattifying spray ideal for shine-free, fresh skin. Use throughout the day for touch-ups over makeup or to refresh face in heat and humidity. Helps keep skin oil-free, matte and flawless, blots oil shine in an instant and minimizes the appearance of pores.

\$35 each at www.cosmedicine.com, Sephora and Home Shopping Network.

Beauty Products

Get Cheeky! dewy blush

Non-sticky, user-friendly formula creates a fresh-faced look without meardering around the face. It's pretty and flattering, naked and made-up all at the same time. Available in three colors for approximately \$25.

Shimmer, Shape and Glow face defining system

Gives the face definition, shape and sexy glow for fabulous cheekbones.

Includes three refillable powder pans: a shimmery highlighter, a subtle shaping powder and a glow blush for cheeks, all of which can be used on the face or anywhere you want it. Available in four colors for \$49.50

Light Wand eye brightener

Need to divert attention away from dark circles? Now you can with this double-ended tool. One quick flick will seem to wake up your whole face. The Light Wand comes in one shade that complements all skin tones. \$25
