**Poreless
Perfection**
skin finisher

Hey Ladies!

Thank you so much for joining me in the joyful experience that is Mally Beauty... Here, we love being a Girl, a Woman, truly celebrating and reveling in being Female!

There is nothing I love more than sharing my secrets and tricks with women so that they can feel their best. I want you to feel strong, sexy, and confident so that you can go out there and conquer the world. I want you to forget all that negative stuff you may have heard and realize that we are not all beauty clones. Love yourself... Whatever makes you different makes you beautiful, that's what I was always taught growing up. I want my makeup to become part of your beauty ritual. Whether you take three minutes to get ready or three hours, (yeah right!), I want to make products that make you look and feel sensational all day long. I want it to be easy and I want you to love every second of it.

I have always loved makeup and skin.

Since I was a child, I have put makeup on anything that was not nailed down. My parents were doctors so I just assumed that that's what I was going to be, but I couldn't deny my passion for makeup. So, I worked really hard, got a great agent that believed in me and years later, here we are. I found that I could do what I loved... Follow your dreams, they *can* become a reality!

As much as I love working with all those glamorous celebrities, what I REALLY adore is working with babes like you! In designing this line, I took all my years of tips and tricks and really thought about us REAL GIRLS and our needs. We have to go out and be Superwoman, look fabulous doing it, and get there in a snap. My stuff is fool proof, easy, gorgeous... no drama... just fabulous YOU!

Product made in U.S.A. • Brush made in China

Every day, I am in awe of the beautiful skin that my daughters have. Now, as I write this, they are just two years old (OMG, time flies!) and it is amazing to me how their skin just glows! Not a pore, not a hint of shine, not a flaw... complete satin. I couldn't help but think, if there is a way that I could capture that look for all of us...

I have never been a huge fan of powder. Now, don't get me wrong. I know that there is a great need for it and I certainly can't do a face without it. BUT, there is just something so old fashioned about it. The thought of caking up your face with a bunch of heavy powder... not only is it so unattractive and not modern, but it just can't be good for your skin!

How can we still get the benefits from powder but not get that old fashioned look? Introducing **Poreless Perfection Skin Finisher!** I created this

feather weight, completely invisible, brightening skin finisher so that you can get the glowing, poreless, fresh modern look that we all need and want! First of all, let's just talk about how this is NOT a powder... it is a **skin finisher!** "What does this mean, Mally?" you may ask. Well, it is a fabulous new way to give your skin a flawless, matte (but not TOO matte), silky finish that looks totally natural and new.

It's the last step to your makeup routine and a great way to keep you fresh throughout the day. But why is it different? Well, it is completely free of talc, fragrance, oils and parabens. So all that is left after you apply is a

perfect, flawless you! It leaves you with a perfect soft focus complexion and makes the look of all those fine lines and wrinkles go bye bye!

Feel free to use it all over your face...

because it doesn't have the heavy look of old fashioned powder, your skin will not lose its gorgeous radiance!

You GLOW, Girl!!!

Peel clear label off sifter before use.
