## Hey Ladies!

**Thank you so much** for joining me in the joyful experience that is Mally Beauty... Here, we love being a Girl, a Woman, truly celebrating and reveling in being Female!

**There is nothing I love more** than sharing my secrets and tricks with women so that they can feel their best. I want you to feel strong, sexy, and confident so that you can go out there and conquer the world. I want you to forget all that negative stuff you may have heard and realize that we are not all beauty clones. Love yourself... Whatever makes you different makes you beautiful, that's what I was always taught growing up. I want my makeup to become part of your beauty ritual. Whether you take three minutes to get ready or three hours, (yeah right!), I want to make products that make you look and feel sensational all day long. I want it to be easy and I want you to love every second of it.

**I have always loved makeup** and skin.

Since I was a child, I have put makeup on anything that was not nailed down. My parents were doctors so I just assumed that that's what I was going to be, but I couldn't deny my passion for makeup. So, I worked really hard, got a great agent that believed in me and years later, here we are. I found that I could do what I loved... Follow your dreams, they *can* become a reality!

**As much as I love working** with all those glamorous celebrities, what I REALLY adore is working with babes like you! In designing this line, I took all my years of tips and tricks and really thought about us REAL GIRLS and our needs. We have to go out and be Superwoman, look fabulous doing it, and get there in a snap. My stuff is fool proof, easy, gorgeous... no drama... just fabulous YOU!

**I know that I have said this before,** but one of the BEST things about having your own makeup line (aside from making gorgeous babes like yourself get out the door faster, looking and feeling fierce!) is that I get to make and develop products that my friends, family, and I want (YOU included!)

**My cousin, Chrissy Grace, LOVES makeup.** I have to admit, she is several years younger than I, so I was already WAY into makeup when she was just a little girl. Needless to say, she was in lipstick and lashes at too early of an age! (Hey, I needed a guinea pig, and she was just too young to protest!) But, I do have to admit, since she has been surrounded by cosmetics all her life, she sure knows her stuff. So, I really listened when she sat me down to

tell me that Mally Beauty needed a GREAT liquid lip shine, with more pigment than our lipgloss. "We just need the perfect, opaque, high shine lip lacquer!" she said. "It's just not out there!" Far be it from me to disappoint my loved ones! Especially those that are sooo knowledgeable!

**Nothing is more gorgeous and sexy** than that amazingly shiny lip! I have to admit, I love putting make-up on, either on others or myself, and my favorite part is when I have all of the makeup done except for the lip... then here it comes, the finishing touch!!! It's one of those amazing

treats that just completes the look!

**Chrissy Grace and I just love our High Shine Liquid Lipstick!** (And I'll tell ya, this little one isn't easy to please... she's a perfectionist, just like me!) So decadent, so special, and oh so fabulous! It's just

the perfect amount of special opaque color combined with the sexy shine of a gloss... the best of all worlds! And it is so versatile! You can wear it with any eye look, or alone to just give you a quick polished look if you are in a hurry!!!

**Try it with our Lip Fence,** to keep your pout staying put all day...
