Hey Ladies!

Thank you so much for joining me in the joyful experience that is Mally Beauty... Here, we love being a Girl, a Woman, truly celebrating and reveling in being Female!

There is nothing I love more than sharing my secrets and tricks with women so that they can feel their best. I want you to feel strong, sexy, and confident so that you can go out there and conquer the world. I want you to forget all that negative stuff you may have heard and realize that we are not all beauty clones. Love yourself... Whatever makes you different makes you beautiful, that's what I was always taught growing up. I want my makeup to become part of your beauty ritual. Whether you take three minutes to get ready or three hours, (yeah right!), I want to make products that make you look and feel sensational all day long. I want it to be easy and I want you to love every second of it.

I have always loved makeup and skin.

Since I was a child, I have put makeup on anything that was not nailed down. My parents were doctors so I just assumed that that's what I was going to be, but I couldn't deny my passion for makeup. So, I worked really hard, got a great agent that believed in me and years later, here we are. I found that I could do what I loved... Follow your dreams, they *can* become a reality!

As much as I love working with all those glamorous celebrities, what I REALLY adore is working with babes like you! In designing this line, I took all my years of tips and tricks and really thought about us REAL GIRLS and our needs. We have to go out and be Superwoman, look fabulous doing it, and get there in a snap. My stuff is fool proof, easy, gorgeous... no drama... just fabulous YOU!

I Live for this !!! Wet, super-shiny, long-lasting, never sticky. To me, there is nothing that finishes off a look like a gorgeous, sexy, glossy lip! Sometimes it is all you need. As a makeup artist, and a spokesperson for many lines over the years, I really wanted to offer you the best gloss possible.
